Spring 2019 Tree-Mendous Order Form

TREE-MENDOUS MARYLAND, a program of the Maryland Forest Service, has been helping citizens restore tree cover on public land and community open space in Maryland since 1989. Tens of thousands of trees and shrubs have been planted in towns, communities, parks, and schools all over the state. These trees provide ecosystem benefits to Maryland's environment including; filtering air and water, providing habitat for wildlife, increasing Urban Tree Canopy, sequestering carbon and more. The high quality, native trees and shrubs are provided by Clear Ridge Nursery.

Pick-Up and Delivery Options (you must select one on the order form when ordering):

1. Your order may be picked up, by you at Clear Ridge Nursery – 3400 Lowman Lane, Union Bridge, MD 21791. Hours: 8:00am - 4:00pm
